

The Kings of St. Francis Puppy Reservation Questionnaire

Please complete the short questionnaire below so that we might know more about you and your expectations regarding your future puppy.

1. Have you read “The Purchase Contract”?
2. Are you interested in a show / breed prospect, or a pet family companion?
3. Would you prefer a male or female? Why?
4. What coloration and markings are you looking for? King Shepherd puppies are generally born dark in color and lighten with age. Markings change as they grow, so there is no guarantee regarding specific markings.
5. Have you had any experience with a Large Breed? Are you aware of this breed’s characteristics, potential size, and nutritional needs?
6. Will your King Shepherd be an inside or outside dog? Describe the dogs expected living arrangements.
7. Is your work schedule conducive to raising a puppy?
8. Do you have children? If so, what are their ages?
9. Do you rent or own your home?
10. Do you or any members of your family have a history of canine allergies?
11. Have you ever had to place a dog you’ve owned into a new home? If yes, explain.
12. Do you understand that a breeder tries to breed the best and healthiest pup possible but all living things can get diseases and sometimes dogs get sick from things outside of a breeder’s control?
13. Do you agree to keep us informed of any health or temperament problems you are having with the puppy so we can do our best to help and also use that information in future breeding pair selections?
